## YTH Citywide Group Registration 2024

Thank you for partnering with us in providing your students with an exciting spring break mission trip. You will need to provide a list of your students and adult leaders 1 month before Citywide. Along with that, each student and leader will need to sign a permission form, found on our website at [ythcitywide.com](http://ythcitywide.com). For special medical needs and/or dietary restrictions, please email [info@ythcitywide.com](mailto:info@ythcitywide.com). Please mail in this form with your group deposit to secure your registration.
